ENTERING A PASSCODE CODE
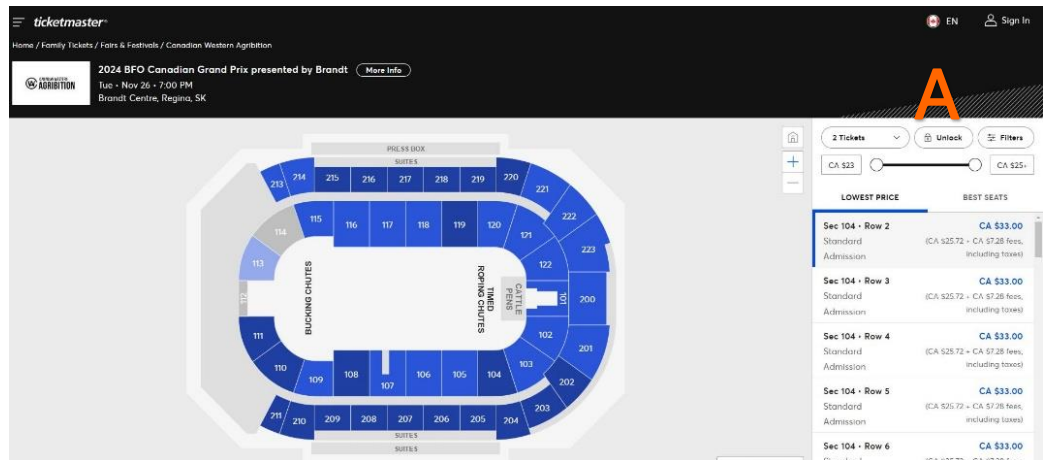

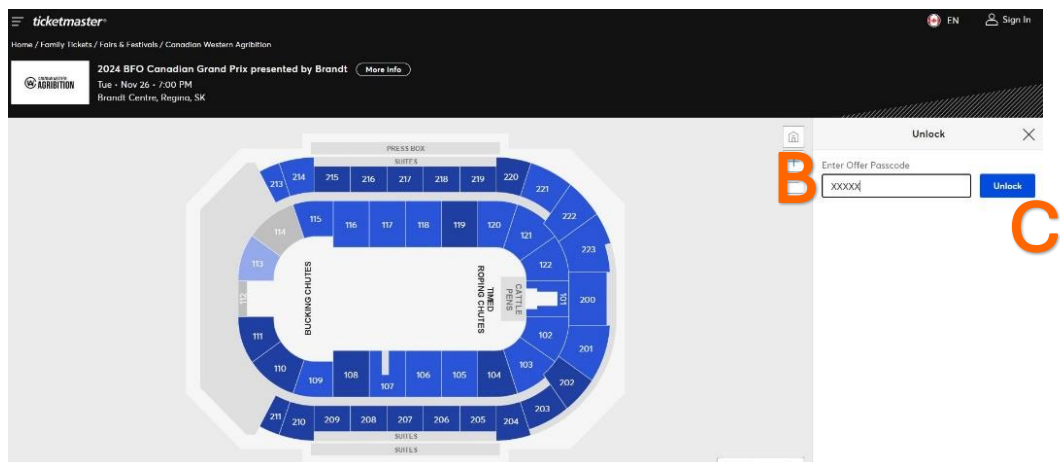

A passcode, sometimes referred to as a promo code or presale code, are all entered PRIOR to selecting your seats.

A. To use your promotional code, click the unlock icon in the top right corner directly above your ticket price options.

NOTE: The button will be the same on desktop and mobile devices.

B. Upon clicking the unlock icon, an offer passcode space will appear. Type in your passcode.

C. Click the blue unlock icon after you have typed in your code.

D. Upon clicking the blue unlock icon, all seating options available with promotional code pricing applied will now show.

Select your seats of choice and proceed to checkout.

Should you have any challenges or have further questions about inputting a passcode, please contact:
