News Release

## **FROST Regina Announces Full Schedule Tickets available now**

FROST Regina has released the full 2026 schedule.

Events across the city will include skating, Indigenous games, horse and wagon rides, live theatre, dogsledding and the FROST hop circuit brewery tour.

Tickets are now available for Disney's Frozen – The Broadway Musical, which will play at Globe Theatre from January 28 to March 1. The Globe Theatre main floor lobby will be open during FROST for residents to warm up and enjoy some of the magic of Frozen. The Globe will offer a Frozen balloon installation for photo opportunities, hot chocolate and cookies for sale and Frozen-inspired hair styling.

"We are happy to partner on this incredible festival with the City of Regina. Regina residents are a hearty folk that don't let the cold months keep them away from community and fun," said Heather Ervin, Globe Theatre Director of Engagement. "FROST provides ample opportunity to explore the city, and we are excited for our production of Disney's Frozen to be a key part of the programming this year."

Tickets are also available for two FROST brunches at Conexus Arts Centre. This new offering will include classic brunch favourites with a creative twist.

"We're thrilled to be part of Frost Regina this year. Chef Leo and our culinary team are really excited to share their signature weekend brunch with guests," said Neil Donnelly, CEO of Conexus Arts Centre. "It's a wonderful way to connect with the community and enjoy great food with family and friends."

REAL is planning Olympic-themed activities which include street hockey, cross country skiing and inflatables. Confederation Park will celebrate Indigenous culture with Terrence Littlelent and the Kawacatoose Boys, along with several other family activities. A warming station will be available in the SportsCage Lounge featuring food and a marketplace to do some shopping. Tickets for events at REAL are available now.

"We are excited to bring FROST back to REAL for 2026," said Trent Fraser, Acting CEO and President of REAL. "Families, youngsters and those young at heart will be able to experience the magic of winter through activities across Mosaic Stadium and Confederation Park. From outdoor challenges to festive celebrations, there will be countless ways to embrace – or escape – the season. We can't wait to welcome everyone in February and celebrate winter together!"

For out-of-town visitors, there are FROST Regina exclusive discounts at select hotels. Participating hotels are listed on [FROSTRegina.com/Visit](https://FROSTRegina.com/Visit) alongside booking information.

Many free fan-favourite activities are also returning including horse-drawn carriage rides, the Winter Hop Circuit brewery tour and crokicurl and skating under the lights at Victoria Park.
